HANKFEST

HANKFEST returned for the 7th year last fall! The show was held at the Murat Theatre at Old National Centre on Thursday, November 7th with recording artists, Michael Ray, Dylan Scott, Devin Dawson and Filmore!

We produce this virtual or live show as a way for us to give back to our listeners and also give them a chance to see, *and possibly meet*, the next breakthrough artist! We've done this by giving away THOUSANDS of FREE tickets at multiple ticket stops throughout the Indianapolis metro area.
