

Trackside

[Curt Cavin](#), former Indianapolis Star sportswriter, and [Kevin Lee](#), NBC/NBCSN broadcaster for IndyCar/IMSA/Sports Cars, host this weekly program devoted to racing every Tuesday night at 7pm on 93.5/107.5/1070 The Fan.

However, during the month of May, as Hoosiers can't get enough information about the upcoming Indianapolis 500, Trackside is heard each weeknight from 7pm-8pm on 93.5/107.5/1070 The Fan and 1075thefan.com. The show is likely the top place in the market for fans who want to be in the know on what's happening at the Indianapolis Motor Speedway.
